**Our mission at Grace Place...** is to help women and families live spiritually wholesome, safe, healthy, and productive lives so that they may thrive within the community. We do this by offering programs for all ages such as...

## Godly Play

Makes God's Word come alive for families and assists in spiritual development. Parent and child will discover God through stories, silence, parables, worship music, and movement.

## KinderMusik

Music and movement for parent and child which has been carefully researched and designed to develop every aspect of growing children from birth to seven years of age.

## Montessori Classes

Parent and Child classes to foster the ability of the parent as the child's first teacher, and Child Only classes to help the parent and child develop skills for healthy transitions, independence, concentration, coordination, and order in a Montessori prepared environment.

## Market Square Thrift Store
